You have tried these poison dopen for a hundred years, and the poison has weakened the digestive organs until typhoid fever has carried away a fourth your loved ones,

And these drug weakened nerves have let so much stagmant blood accumulate in your bodies that it has attempted to cleanse itself and escape in sores, Appendicitis, Eczema, Catarrh, Ulcers of Stomach, Liver, Intestines, Varieose Veins, Piles, etc. And when kidneys and intestines tried to excrete the waste it was contradicted and stopped by doctoring symptoms and cutting off the sore part until this stagnant blood was sealed in your bodies and settled in your weakaned lungs and formed abscess. Cough medicines were given to weaken the cerve so you couldn't cough it up. Just think, Osteopathy here in El Paso has saved ill but eight out of eight thousand pa-tients, every kind of disease, and never operated, and left you either worse than sefore or in your grave in any instance. And, besides, have made it impossible for you to contract Tuberculosis, or Cancers, or Typhoid Fever. No wonder forty states have passed laws recognizing it as the natural way to cure diseases, and forty million of people have recognized free the nerve so the stagnant blood unnot accumulate any more in the body and can escape. Then all these sores and diseased parts heal up, as they are not needed any more. So consumption and cancers and chronic diseases are impossible to people who take Osteopathic reatments.
